# Frequently Asked Questions

## **HOW MANY PEOPLE CAN YOUR VENUE HOST?**

The View on Harvest Drive can host 175 guests

## **DO YOU HAVE ON-SITE SERVICES OR SPECIFIC VENDORS YOU WORK WITH?**

Yes. Harper Co. wedding services partners with several partner caterers, floralists, and wedding coordinators. We also partner with additional, carefully chosen vendors that can cover all additional elements of a wedding celebration. These services are all reasonably priced and have a reputation of excellence.

## **AM I ALLOWED TO USE MY OWN VENDORS ?**

While we strongly recommend you use our listed partner vendors, you are welcome to bring in some of your own vendors. ie. photographer, florist, pastry chef, etc.

Please note, you are required to use one of our day of coordinators, our partner vendor DJs, partner caterer and partner bar tending service.

## **WHY ARE THERE RESTRICTIONS ON CERTAIN VENDORS?**

There are simply so many variables that come into play when executing a wedding at The View. We have found that most outside coordinators, DJs, caterers and bar tending services come unprepared for the uniquenesses encountered at The View and extra staff time and resources are needed to pick up all the details that have been missed in order to make the couples day run smoothly. Our partners are very familiar with our venue and know exactly what it takes to create a perfect day.

## **DO YOU ALLOW DIY DECORATING?**

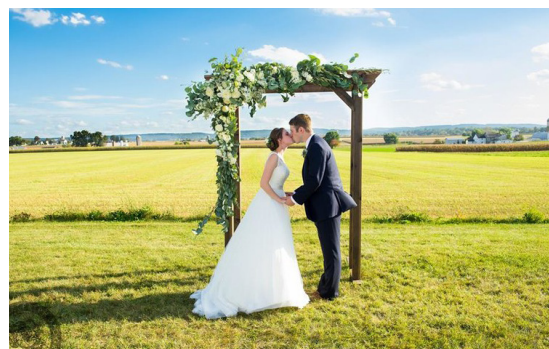

Yes! You may bring in your own decor, however, it must be approved ahead of time and you must follow specific guidelines for set up and tear down. DIY decor creates extra stress for everyone so we encourage couples to use our vendors and props. The Design Shop is filled with wonderful props to add a special touch to your wedding day. They are all reasonably priced and the staff takes care of set up and tear down of these props. Props delivered from outside rental companies will be subject to an extra fee.

## **ARE WE ALLOWED TO HAVE ALCOHOL?**

Yes. All alcohol is provided by the clients and may include beer, wine, ciders, seltzers, champagne and a three liquors for mixed drinks. We do not allow shots, straights or on the rocks. The bar may be opened for a total of four hours. Alcohol service must be provided by Harper Co. bartending service.

### **HOW MUCH TIME WILL WE HAVE WHEN WE RENT THE VIEW VENUE?**

We give each couple a very gracious amount of time to occupy the venue on wedding day. Up to five hours is allotted for the celebration, with most celebrations starting at 3:00 or 4:00 pm and finishing up at 8:00 or 9:00 pm. Prior to the start of the ceremony, up to five hours is allotted for the bridal party to get ready in the bride's room and groom's room. All celebrations must end no later than 10:00 pm. An hour is allotted for rehearsal the Thursday before your wedding. Specifics will be discussed during your consultant's meeting which is scheduled a month before your wedding.

### **IS SMOKING ALLOWED ON THE PREMISES?**

The View is a smoke free venue. Smoking is only permitted in dedicated smoking areas, unless you will be renting the Cigar Bar.

### **DO YOU HAVE FULLY FURNISHED RESTROOMS?**

Yes. Our restroom facilities are centrally located to the guest areas and are tastefully decorated and fully furnished.

### **WILL WE BE ALLOWED TO HAVE CANDLES IN THE VENUE?**

Yes, however restrictions apply. Small votive and cylinder candles, in fire safe containers, are allowed on tables. Our Event Host will review the placement of and be attentive to the flamed candles throughout the evening. He/she reserves the right to extinguish any candles he/she deems unsafe.

### **IS THE VENUE CLIMATE CONTROLLED?**

All three indoor venue spaces are climate controlled.

### **WHAT HAPPENS IF IT RAINS AND WE CAN'T HAVE THE CEREMONY OUTSIDE?**

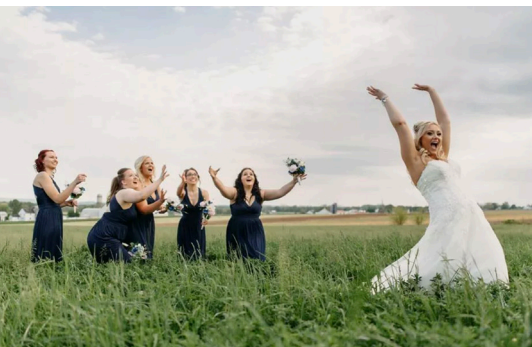

If it rains, bridal couples can hold their ceremony in the Gordon Hall.

### **IS THERE AN EXTRA CHARGE FOR REHEARSAL?**

No. All of our bridal parties will have an hour allotted for their wedding rehearsal. Wedding rehearsals are usually held on Thursday nights, with the Saturday bridal couple choosing their time slot first. Our wedding coordinator will oversee the rehearsal and will make sure everything happens in a timely fashion.

### **AM I ALLOWED TO HAVE MY DOG ATTEND THE WEDDING?**

Yes, if you provide us with proof of a current rabies vaccination and if prior arrangements are made for transporting the dog before and after the ceremony. We suggest you employ our recommended dog sitter to watch/take your pet away after photos. We will clarify additional guidelines on a case by case basis.

### **CAN WE HAVE A BAND?**

Yes, however, please be aware that there are numerous things that need to be discussed before you hire the band. Issues regarding space requirements, ability to stay within our sound guidelines, MC qualification among other things, all need to be discussed and addressed. DJ is still required.

### **WHAT IS THE PROCESS FOR RESERVING A DATE**

Choose a date from our website calendar and check with wedding consultant to confirm the availability of the date. A verbal hold is then put on the date allowing you five days to fill out and sign the venue agreement and send in the deposit.

### **WHAT IS THE REQUIRED DEPOSIT?**

The deposit is 50% of the venue rentals fee as listed on page 4. You may choose to divide the deposit into two 25% deposits. The remaining 50% deposit is due 60 days before your wedding. Coordinator fee, bartending fee and additional props are not due until two weeks before the wedding day.
