# Frequently Asked Questions

## **HOW MANY PEOPLE DO YOUR VENUE SITES HOLD?**

The View on Harvest Drive can host 165 guests.

## **DO YOU HAVE ON-SITE SERVICES OR SPECIFIC VENDORS YOU WORK WITH?**

Yes. Harper Co. wedding services partners with several partner caterers, floral and event designer and wedding coordinator. We also partner with additional, carefully chosen vendors that can cover all additional elements of a wedding celebration. These services are all reasonable prices and have a reputation of excellence.

## **AM I ALLOWED TO USE MY OWN VENDORS ?**

While we strongly recommend you use our listed partner vendors, you are welcome to bring in some of your own vendors. ie. photographer, florist, pastry chef, etc. Guidelines must be followed so please ask about these guidelines before you book your vendor.

Please note, you are required to use one of our day of coordinators, our partner vendor DJs, partner caterer and partner bartending service.

## **WHY ARE THERE RESTRICTIONS ON CERTAIN VENDORS?**

There are simply so many variables that come into play when executing a wedding at the View on Harvest Drive. We have found that most outside coordinators, DJs, caterers and bar tending services come unprepared for these uniquenesses. As a result, extra staff time and resources are needed to pick up all the details that have been missed in order to make the couples day run smoothly. Our partners are very familiar with our venue and know exactly what it takes to create a perfect day.

## **DO YOU ALLOW DIY DECORATING?**

You may bring in your own décor, however, it must be approved ahead of time and you must follow specific guidelines for set up and tear down. DIY décor creates a tremendous amount of stress for everyone so The View on Harvest Drive encourages couples to use our Design Shop for decor. The Design Shop on our website is filled with wonderful props to add a special touch to your wedding day. They are all reasonably priced and the staff takes care of set up and tear down of these props. Because of insurance regulations and logistics, décor and furniture rentals from outside companies is not permitted.

### **ARE WE ALLOWED TO HAVE ALCOHOL?**

Yes. All alcohol is provided by the clients and may include beer, wine, champagne and three liquors for mixed drinks. We do not allow shots, straights or on the rocks. The bar may be opened for a total of four hours. Alcohol service must be provided by Celebration Services bartending service.

### **HOW MUCH TIME WILL WE HAVE WHEN WE RENT THE VIEW VENUE?**

The View gives each couple a very gracious amount of time to occupy the venue on wedding day. Up to six hours is allotted for the celebration, with most celebrations starting at 3:00 or 4:00pm and finishing up at 9:00 or 10:00pm. Prior to the start of the ceremony, up to seven hours is allotted for the bridal party to get ready in the bride's room and groom's room. All celebrations must end no later than 10:00. An hour and a half is allotted for rehearsal the Thursday before your wedding. Specifics will be discussed during your consultant's meeting which is scheduled a month before your wedding.

### **IS SMOKING ALLOWED ON THE PREMISES?**

The View on Harvest Drive is a smoke free venue. Smoking is only permitted in our smoking gazebo by the Grand Barn. It is the responsibility of the bridal couples to make sure guests are aware of this guideline ahead of time as well as throughout the event.

### **DO YOU HAVE FULLY FURNISHED RESTROOMS?**

Yes. Our restroom facilities are centrally located to the guest areas and are tastefully decorated and fully furnished.

### **WILL WE BE ALLOWED TO HAVE CANDLES IN THE VENUE?**

Yes, however restrictions apply. Small votive and cylinder candles, in fire safe containers, are allowed on tables. Our Event Host will review the placement of and be attentive to the flamed candles throughout the evening. He/she reserves the right to extinguish any candles he/she deems unsafe.

### **IS THE VENUE CLIMATE CONTROLLED?**

All three indoor venue spaces are climate controlled.

### **IS THERE AN EXTRA CHARGE FOR REHEARSAL?**

No. All of our bridal parties will have an hour allotted for their wedding rehearsal. Wedding rehearsals are usually held on Thursday nights, with the Saturday bridal couple choosing their time slot first. Our wedding coordinator will oversee the rehearsal and will make sure everything happens in a timely fashion.

### **CAN WE HAVE A BAND?**

Yes, however, please be aware that there are numerous things that need to be discussed before you hire the band. Issues regarding space requirements, ability to stay within our sound guidelines, MC qualifications among other things, all need to be discussed and addressed. DJ is still required.

### **WHAT IS THE PROCESS FOR RESERVING A DATE**

Choose a date from our website calendar and check with the The View's wedding consultant to confirm the availability of the date. A verbal hold is then put on the date allowing you five days to fill out and sign the venue agreement and send in the deposit.

### **WHAT IS THE REQUIRED DEPOSIT?**

The deposit is 50% of the venue rental fee as listed on page 2. The remaining 50% deposit is due 60 days before your wedding. Coordinator fee, bartending fee and additional props are not due until two weeks before wedding day.
